Frank Kimmel Completes the Messina Wildlife Animal Stopper 150 in 7th

Joliet, IL - The No. 44 Ansell-Menards Ford, driven by Frank Kimmel, finished 7th in the Messina Wildlife Animal Stopper 150 from Chicagoland Speedway. Frank Kimmel qualified the Ansell-Menards Ford in the 10th position for what was scheduled as an afternoon race. However, rain forced a lengthy delay and moved the race into an under the lights affair.

Consistency was the central theme for Frank Kimmel and the Kimmel Racing team throughout the 100 lap race. The Ansell-Menards Ford ran in the top-10 the duration of the Messina Wildlife Animal Stopper 150, including restarting in 5th with a handful of laps remaining. Unfortunately, the Kimmel Racing team couldn't get their hands completely around the handling of the Ansell-Menards Ford, as Frank would take the checkered flag in the 7th position.

"I lost a few positions on that last restart but we had a top five Ansell-Menards Ford tonight. The team worked really hard tonight but we battled with the handling. We're right there each race and I'm confident that if we keep putting ourselves in position that one of the races will go our way," said Frank Kimmel after the race.

Watch for Frank Kimmel at Pocono Raceway driving the No. 44 Ansell-Menards Ford on June 11th for the Pocono ARCA 200 in the ARCA Racing Series presented by Menards.
